Jurlique Spa at FireSky Resort and Spa

Our spa philosophy focuses on restoring energy and healing from within. With outer beauty and inner health going hand in hand, the cornerstones to well being are sound nutrition, regular exercise, peace of mind, and care of the face and body.

We are dedicated to helping you discover these key elements through the Jurlique Spa experience. Here at FireSky, we have created an environment for you to relax, reflect, rejuvenate and rejoice in the pure pleasures that Jurlique Spa has to offer.
